Newsletter 2025

Its official, Fall has finally arrived! My favorite time of year, cold nights – blankets on the bed, shorter days- longer nights, and warm butternut squash soup and apple dishes, pumpkin spice latte's at Starbucks. Soon the fall colors will abound everywhere! It's the best time of the year in Yosemite.

Is anyone interested in doing Karaoke night once a month? We had so much fun at our BBQ doing Karaoke around the pool! We could do a dessert bar where everyone can bring some kind of desert, and byob. If interested email me at yosemitevistaestates@gmail.com or call the office at 209-962-5988, and if I am not here, leave a message with name and number and I will call you back.

We will be having our annual Halloween costume potluck party on Saturday October 25th at 4PM. Please bring a potluck dish and BYOB. Don't miss out, it will be fun!

Rainy season is soon upon us. Make sure you go around the outside of you buildings and check your drains and gutters. Check your pipes and make sure they are wrapped up. Nobody wants any of those surprises during a storm.

For now we still have no access to the Compost in PML. Dan had that access, and he is gone. So please don't put clippings or leaves in the streets, we can't pick them up. We put ours in the bottom of our garbage can.

Next board meeting is October 24 @9:30 AM

Fun facts:

- Blue whale hearts weight 400 lbs, as much as a piano.
- Octopuses have 3 hearts – 2 stop beating when they swim
- 30 minutes of brisk walking a day can cut heart disease risk by 30%.
- The sound of your heart beat ("lub-dub") is actually the valves in your heart closing.
