

Yosemite Vista Estates

April 2025 Newsletter

Greetings! April showers bring May flowers. We have plenty of April showers.

This is a reminder letter. If you haven't already, don't forget to pay your property taxes. They are due and late after April 10.

We lost our long time friend and neighbor Craig Kiefer. His family had a wonderful Celebration of Life party here at the clubhouse. A lot of YVE folks came and supported the family and shared tales and good food together. Craig is missed!

It is that time of year for cleaning up our yards and trimming unruly branches. Please make sure if you are putting them in the street for Dan to pick up, they must be either bagged for little stuff and branches must be bundled so he can just grab it. He will not take bags that have household garbage in them nor will he clean up messes in the street from unbundled- bagged clippings. You can also bring them to the burn pile behind the clubhouse.

If you would like to receive a free smoke detector with a 10 year battery in it, please call the office and give me your name. I will put your name on the list. The next installation for this program is June 7, 2025. This is totally free and the fire department will come to your house and install it for you. Don't miss out

With spring comes spring fever, working out in the yards, fluffing up our abodes. We have a lot of empty houses here in YVE that are trying to be sold. So let's try and clean up our yards so everything looks nice! The more houses we can sell, the more our property values go up. Weed eating time is coming up soon.

This year Easter falls on April 04/20. What a nice date. Whatever your plans are for that day, have a splendid holiday.

"April is the month of expectations, the things we do not know."

Emily Dickinson

"Spring is nature's way of saying, lets party."

Robin Williams

"April is a rainbow month, of sudden spring flowers."

L.M Montgomery

"To plant a garden is to believe in tomorrow."

Audrey Hepburn
