June 2025

Happy June, it's Dad's and Grad's month. Happy Fathers day to the Dad's out there; Fur Dads, Dads of all kinds, Guy's day- if you're not a dad, and also for all the Dad's who are no longer with us. You're Kings for the day! Also, congratulations to the Grads out there!

The pool is open! To open the glass door, turn the lever, you will hear a click when it opens. You might have to pull the door towards you when turning the lever. After you hear the click, lean into the glass door and push. It's very easy; the door just sticks a little. Please if you can't get the door open, Please make sure your guests: Men and boys, do NOT go through the women's bathroom!

We now have our cameras up and running! This is for added security and to prevent any vandalizing or unauthorized use of the club house facilities. Last summer someone stuck a screw driver in the glass door lock, destroying it. It cost \$350 to fix the door.

Weed Eating is in full force now. We are working on getting YVE property done as quickly as possible. If you have someone weed-eat for you, please clean up the clippings in the street! Either blow or sweep and pick up or bag the clippings. Dan is busy weed eating right now and will not be cleaning up peoples messes. We have a lot of empty houses in here right now for sale. We need streets and lots to be tidy. People who don't comply including bank owned houses will be getting letters in the mail. We have to be a fire wise community. GFD will be creeping through here soon looking for citations.

We are going to plan on a BBQ pool party around the pool, sometime in July or August. Not sure when, but I will let everyone know. I hope everyone comes!

Summer heat is here! If your AC isn't working properly don't sit in a hot house! Come up to the clubhouse, we have AC, Direct TV and of course the pool to keep you cool. Be careful in the heat. Stay cool people!

For you Yosemite junkies like me, the YARTS bus is running now. Best way to go to Yosemite. Go online and check schedule and pricing.
