

Yosemite Vista Estates

Newsletter 2025

Its official, Fall has finally arrived! My favorite time of year, cold nights – blankets on the bed, shorter days- longer nights, warm butternut squash soup and apple dishes, and the most important- pumpkin spice latte's at Starbucks.

Is anyone interested in doing Karaoke night once a month? Or maybe some type of game night? We could do a dessert bar where everyone can bring a desert, and byob. If interested email me at yosemitevistaestates@gmail.com or call the office at 209-962-5988, and if I am not here, leave a message with name and number and I will call you back.

Our annual Christmas party is on Saturday Dec 13, 2025 at 4PM. It's a potluck and we really need main dishes or salads. You can sign up by emailing me yosemitevistaestates@gmail.com thanks to everyone who came to the Halloween party, it was a huge fun success.

We are launching our website yosemitevistaestates.com around the beginning of the New Year. It will be full of info and what's going on in our community. You can also leave comments.

Yosemite Vista Estates is now a smoke free zone, no smoking allowed in YVE property including the pool area and our streets. We found a pile of cigarette butts thrown over the edge of the pool in the weeds. We keep finding cigarette butts in the street. We work hard to keep the streets clean. This endangers all of us in a high fire zone. If you're walking your dog, do not walk and smoke anymore. We will be handing out citations for those people who don't follow the rules and anyone caught smoking in the pool area will also receive a citation and banned from using the pool. We have cameras to enforce this. We are going to post signs stating this is a smoke free zone.

The Resilience center will be doing thanksgiving dinner on thanksgiving Nov 27, 2025 11:30AM to 4PM. Please if you're hungry, or alone come eat dinner. The food is amazing, and it's run by donations and community volunteers. Even if you can't do a donation please, you can still come and eat. It's our community coming together. Nobody should be hungry or alone on Thanksgiving. Hope to see you there.

Fun facts:

- Blue whale hearts weight 400 lbs, as much as a piano.
- Octopuses have 3 hearts – 2 stop beating when they swim
- 30 minutes of brisk walking a day can cut heart disease risk by 30%.
- The sound of your heart beat (“lub-dub”) is actually the valves in your heart closing.

Next board meeting is on November 24, 2025 @ 9:30 AM
